---

A mobile patrol is the most cost-effective security solution. Clients in a particular area “share” the service. Instead of paying an hourly rate for the guard, each business just pays a fraction of the cost. Call us now for a quote.

### **Mobile patrol officers perform such duties as -**

- Responding to Burglar alarms
- Responding to Duress alarms
- First Aid
- Opening and Closing services, Unlocking and Locking of premises
- Patrolling of residential complexes
- Patrolling of Industrial complexes / complexes
- Patrolling of commercial estates / complexes
- Staff Escorts
- Checking fences and perimeters of premises
- Checking inside buildings and properties
- Ensuring premises properly secured against unlawful or unauthorised entry
- Checking for fire hazards
- Checking for any weather related hazards ( rain, flash flooding, storms, wind etc)
- Checking fences and perimeters of premises
- Checking damage to machinery and property
- Equipment left running
- Checking for unauthorised people on premises
- Reporting any events to management
- Providing a highly visible and uniformed deterrent
